Affordable Connectivity Program (ACP) is a Federal Communications Commission (FCC) program that is designed to help families & households who were negatively impacted due to the COVID-19 pandemic. This new benefit program will connect eligible households to more job opportunities and help families to connect to healthcare services from the comfort of their home. The FCC is giving low income families 5G Tablets with Unlimited Data for a one time activation fee with NO OTHER COST as long as they can provide they have some type of government assistance.

Who qualifies?

Anyone receiving at least one of the following benefits.

Food Stamps - Free or Reduced Lunch - Pell Grant for College Students WIC, Housing Assistance - Social Security - Medicaid

Veterans Benefits - Unemployment Benefits

(Only one tablet or phone per benefit case.)
